**TREATMENT CONSENT**

I GIVE MY CONSENT FOR EXAMINATION AND TREATMENT. The nature of many if not most dermatology and/or plastic surgery consultations is that unclothed skin and body examination is indicated. Often another NBDPS staff member may be present, in general this is for both the patient and provider’s protection and to assist in the patient’s care. I give my consent for examination with or without another NBDPS staff member present, and treatment including biopsies and excision and injections, as discussed with my provider.
